The Comcast Leaders and Achievers® Scholarship Program is funded through the Comcast Foundation and recognizes graduating high school seniors who not only excel in the classroom, but who also help to power dreams through community service. Comcast believes that community service is a critical element of leadership and fostering that commitment is vital to developing tomorrow's leaders. Since 2001, Comcast has awarded more than $19.8 million in scholarships to nearly 19,000 students across the country to help them pursue higher education.

Here in New Mexico, Comcast will award more than 20 scholarship grants in the amount of $1,000 each to high school seniors who plan to attend an accredited nonprofit college, university, or vocational/technical school in the U.S. – and one student will be selected to receive a scholarship award of $10,000!

We need your help to identify deserving students – please review the program information below:
